Welcome

Welcome to the Griffith University Study Abroad and Exchange Guide.

Even a short period studying and living overseas can have a long term impact. Choosing to add an international component into your study program will give you a different perspective on your academic studies, while you will also have the opportunity to immerse yourself in the multicultural lifestyle of Australia's beautiful South East Queensland. Griffith University is proud to welcome students from 130 different countries every year, as well as having approximately 40,000 local students from diverse backgrounds. With campuses in both Brisbane and the Gold Coast, Griffith is a comprehensive university, and many of our programs are open to students joining us for a trimester. Your biggest challenge may well be deciding between the vibrant, beachside city of the Gold Coast and the cosmopolitan capital of Queensland, Brisbane. No matter which campus and lifestyle you choose to experience, you will find a range of events and activities designed to help you make the most of your time at Griffith, alongside renowned academic programs.

I hope you find this Guide informative, and that you will take the opportunity to find out for yourself why so many students from around the world choose to include Griffith University in their study program.

Where to live

Whether you would like to live on-campus or off-campus, there are several options you can explore to find housing to suit your needs. Homestay is another great option and allows you to experience life with a local family while you study.

Temporary and short stay accommodation

If you have not booked accommodation before arrival, it is vitally important that you organise temporary accommodation for your first few days or weeks in Queensland, to allow you time to find and inspect your long-term off-campus accommodation before you move in. There are short-term accommodation options located near each of our campuses that are easily accessible by public transport.

Off-campus

In Australia, share housing—where you share a house or apartment with a number of other students—is the most common form of off-campus accommodation.

When looking for suitable off-campus accommodation, you will need to consider:

- the cost of rent (usually advertised as a weekly amount)
- if utilities are included in your rent (electricity, water, gas)
- if internet is included in your rent
- if the accommodation is furnished
- how close the accommodation is to your campus
- access to public transport

Off-campus accommodation preferred partners

Griffith University has established preferred partnerships with a selection of off-campus student accommodation providers across its campuses between Brisbane and the Gold Coast. To be included in this program, providers are inspected by University staff and are required to meet a set of performance standards that ensures quality and safety.

Brisbane

Genesis 1; Scape; Student One; UniLodge Park Central; Uniresort.

Logan

UniCentral Griffith.

Gold Coast

University Village; Metro on Central; University Square.

Homestay

Homestay accommodation gives you the option of living with an Australian family while you study. Homestay is available to students at all Griffith campuses. Some homestay providers offer independent living options such as a granny flat. Homestay is a great way to develop your English language skills and experience life in Australia, and offers catered and self-catered options.

griffith.edu.au/homestay

You can find additional resources for homestay options on the Gold Coast on the Study Gold Coast website at studygoldcoast.org.au/live/student-accommodation/

On-campus

Griffith offers self-catered accommodation on the Nathan campus and partners with Campus Living Villages to provide self-catered, on-campus accommodation in the Griffith University Village on the Gold Coast campus.

Living on campus is a fantastic way to meet new people, find out about new cultures, and develop independence. On-campus accommodation is fully furnished and provides access to cooking facilities, laundry facilities, common rooms and internet, as well as offering a vibrant social life.

Airport pickup

International students commencing at Griffith University can apply for a free airport pickup, which takes you from the airport directly to your pre-arranged accommodation. The service is free for eligible new international students arriving at the Brisbane or Gold Coast airports. griffith.edu.au/airport-reception

Cost of living

There are many different costs involved in international study and your cost of living in Australia will vary depending on your lifestyle and personal requirements.

South East Queensland offers a combination of quality education and high living standards.

The cost of living in South East Queensland is considered more affordable than other major Australian cities such as Sydney and Melbourne*.

The Australian Government requires students to have access to a minimum of AUD \$24,505 (Australian dollars) per year† to meet their living costs, but many students spend more than this. Costs will be higher if you have family members accompanying you.

*In the QS Best Student Cities 2023 rankings, Brisbane and the Gold Coast are ahead of Sydney and Melbourne in the Affordability Rank.

†The minimum dollar requirement is based on information available in August 2023 and is subject to change.

Calculating your total cost of study

Your total cost of studying in Australia will include:

- tuition fees (Study Abroad program)
- visa application fees
- Overseas Student Health Cover (OSHC)
- flights
- cost of living
- other personal and study-related expenses.

Tuition fees

Tuition fees are reviewed annually, and international students should expect an increase in fees each year.

Weekly cost of living estimate

The majority of the information below is based on 2023 costs according to Study Australia** (for more details visit: studyaustralia.gov.au/english/live/living-costs). Please be advised it is an estimate only and individual differences mean prices will vary. Please note these costs do not include: arrival costs, accommodation security deposit, textbooks, clothing and medical expenses.

	Self-catered on-campus	Share house off-campus	Homestay off-campus
Campus availability	G, N	G, N, M, S, L	G, N, M, S, L
Rent	\$166–\$394	\$220–\$440	\$235–\$325
